Q1

List any MHAI activities you've done in FEB 2024. Please provide a detailed account of the activity including the location or platform, what information was shared, and any other pertinent details. Be sure to send any pictures, flyers, etc. via email as well! Examples: community presentations, shared on social media, sent emails to colleagues, etc.

I had a "Healthy Heart" exam at my local hospital and shared with friends and family what exactly they did, price, let them know that it's not covered by insurance, and stressed the importance of having it done as a starting place. And then we should always keep up with heart checks with our local doctor. I shared with church members and American Legion the importance of keeping our heart healthy.

I am working with Mississippi State's Extension FB page called Living Well, which showcases work from the Health Sciences Initiative. We are creating a year long series of FB posts (still need to get them approved before can be shared) where we use material from our MHAI calls to post on a weekly basis. I have shared the materials with my office staff who are helping manage the logistics of posting and internal approvals for posts to FB.
